**Membership Cards:** You will be required to show your membership card for access into main pool. Each resident should have their membership card with them for access. Children: dependents living in the unit ages 16-21 are eligible to have and should have a membership card.

**Coach Home Satellite Pool:** The motor has been replaced and the pool will reopen tomorrow (Friday, May 15<sup>th</sup>) at 11AM.

**Trash/Dumpsters:** Terrace and Veranda sub-associations utilize communal dumpsters. Lisa with Tropical Isles sent out an email recently pertaining to trash restrictions. No garbage, trash, refuse or rubbish shall be deposited, dumped, or kept on any part of the common elements. The below suggestions are for maximizing capacity and maintaining a clean environment:

- All garbage should be bagged; no loose items
- Place only designated items in recycle bins
- Break down boxes

Health & Safety Reminders: trash left on the floor is a health hazard and an invitation for unwelcome animals and rodents. Close all lids to dumpsters and recycle bins. Dumpster gates should remain closed. If an item is too large for trash or recycle receptacle, it is the responsibility of the resident to properly dispose of the item. Items that do not fit in the receptacles will be an additional charge to the association. Please report issues or maintenance request to your sub-association Property Manager (Tropical Isles).

**Recipe Book:** [Here](#) is the current version of the Lakewood National Recipe Collection. This collection will continue to grow and evolve as we receive more recipes submitted by Members.
