### VIRTUAL MONTHLY MANAGER MEETING *FOLLOW UP*

We had approximately 20 attendees at our virtual manager meeting this past Monday. Here are some questions that were asked and answered:

**Q: What are the rules for parking, including overnight street parking & how is speeding enforced?**

A: Speeding is difficult to enforce as we have no way to calculate; courtesy notices are sent to those who are believed to be driving above the 25MPH or at a dangerous speed. \*The previous page contains the specifics on parking restrictions.

**Q: With the amenities opening back up, will the pool monitor remain and if so, what will they do?**

A: At this time, the pool monitor will remain. They will continue to check Member ID's and enforce the pool rules.  
\*There is a link to the rules on the previous page.

**Q: Driving Range - can we have more stations, return of the yardage markers and club washers?**

A: The golf shop will look into more stations and add the yardage markers but the club washers are not yet approved.

**Q: When will golf leagues return?**

A: Discussion is taking place on logistics and will be communicated as soon as they approved.
