

*****POSTPONED*****
Concert On The Range
March 4th, 2024

Good Morning Residents,

It is with great regret that we must inform you that tonight's 'Concert On The Range' must be **postponed**. We have spoken to all the parties involved including the golf course superintendent, and the manager of the band. We all agree that with over a 50% chance of rain and thunderstorms and the wind too low to change directions, that it would not be safe for the concert to go ahead.

We are also taking into consideration the damage that would be caused by the food trucks, the amount of people, chairs, and the stage to the driving range, with even the smallest amount of rain prior to the event. Our goal is always to create the best events and enjoyment for you but at the same time our priority is to protect your investment as well.

We are again very sorry to have to inform you of this and as soon as we confirm a new date you will be notified and the tickets you already have will be valid for the show.

In the meantime, if you do wish to cancel your tickets, we will of course refund your account.

Thank you

Lakewood National Golf Club | 17505 Lakewood National Pkwy, Lakewood Ranch, FL 34211
